Only a 20 game schedule this year. Desire for 25 next year.

Games at Pete Palangio Arena were not successful at all.

Games at West Ferris to be avoided where possible.

Gardens availability is limited.

Cost of NDA hockey continues to quickly rise (need to look at cost reduction some how)

Finishing games on time was an issue at the beginning of the year but was solved by refs and coaches moving things along, among other things.

BIG THANKS to the coaches for the willingness to compromise and adjust for the good of NDA hockey. To Lindsay and the refs for their efforts and to the Gardens staff for making it possible.

BIG BIG BIG THANKS to JF Renaud at Algonquin for keeping the NDA website up to date throughout the many challenges and changes of NDA hockey. HIS WORK IS INVALUABLE!!!!

Chippewa (Bob Boal) will be convenor again next year.

League stats found on NDA athletics website.
